## Shriners believe in *Brotherhood.*

When you become a Shriner, you become part of a brotherhood of men committed to family, engaged in ongoing personal growth, and dedicated to providing care for children and families in need.

While our backgrounds and interests may be diverse, what binds us together are shared values and a desire to have fun, do good and build relationships that can last a lifetime.

## Shriners believe in *giving.*

As a Shriner, you will have the opportunity to make a difference in the lives of children receiving care at Shriners Hospitals for Children®.
